Dear Friends,

On behalf of the Steamboat Springs Arts Council, I would like to thank you for your recent in-kind donation.

The Create Space program focuses on the shared values of our partners and community members including: sustainability practices through recycling art supplies, supporting working artists with honorariums, and providing creative learning opportunities by bringing our visiting artists to schools and senior centers.

We are continually striving to provide the community with exceptional cultural and artistic opportunities, as well as support the local artists and organizations. This goal is only possible because of thoughtful donations from people like you.

The estimated value of any goods or services provided in return for your donation is \$0.00. Please keep this written acknowledgment of your donation for your personal records.

Again, we thank you for your support and helping us succeed in our mission.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Kim Keith', written over a horizontal line.
