Dear Bill,

On behalf of the Girl Scouts in Routt County, thank you for your in-kind gift of one gift certificate for the silent auction in support of the 2015 Cocktails & Cookie Creations.

Girl Scouts of Colorado works to ensure that all girls have the opportunity to develop leadership skills, enhance their self-esteem and become the leaders of tomorrow.

Girl Scouting has long-term benefits:

- Girls who engage in Take Action projects are better prepared to play an active role in their communities; -
- Financial literacy experience gained through the Cookie Program teaches skills that help Girl Scouts throughout their lives;
- STEM programming teaches leadership skills such as perseverance in the face of challenging problems, the ability to build and design things and the ability to creatively problem solve before deciding on a solution;
- Girl Scout alumnae display positive life outcomes to a greater degree than women who were not Girl Scouts.

Thank you, again, for your dedication to Girl Scouts in Routt County. Know that your gift today is an investment in tomorrow.

Sincerely,

Amy Myers
Chief Development Officer

Girl Scouts of Colorado is a nonprofit 501c(3) organization, and no goods or services were received in exchange for this gift except as noted above. Our tax ID # is 84-0410630.
